SUBJECT:

International Security and Satellite
Monitoring Act of 1988, H.R. 4036

1. We have learned that it is quite possible that this bill may begin to move through Congress. Accordingly, we have been advised by the House intelligence committee to prepare a views letter expressing any concerns we have with the bill. Attached for your review and comment is a draft letter which I have attempted to keep unclassified for ease in use should it become necessary to engage in an all-out effort to defeat this bill.

2. I ask that you review the letter and suggest any changes you deem necessary. Should you have any questions, please telephone me on secure
